Arrival & Dismissal During dismissal time, please stay in your vehicle, and ensure that parent pick-up tags are visible on your dashboard. This helps to keep the traffic flow moving. If you do not have a tag, please stop by the office to pick one up. If your tag is not visible, you will be asked for your ID to verify with student record and then asked to get back in the line to pick up your child.

Students should not be dropped off before 7:25am. It is a safety concern without adults out front and students are running around. Please do not drop off early! Thanks!

If your child has an appointment and needs to leave early, we ask that you send in a written note to the teacher in the morning to ensure they are prepared to be dismissed. **NO changes over the phone, or Class Dojo allowed.**

2:10PM is the latest time we may dismiss kids from the front office. Please remember that the late bell rings at 7:55AM and students should be **IN CLASS** by that time.

Dress Code- Students must wear jackets that can unzip fully during the day in class. Students cannot wear sweatshirts or hoodies in class. Also, students cannot have different color hair. students must have one natural color per dress code and cannot have designs cut in hair.

Notification of the Presence of Asbestos-Containing Materials in the School

To the Chairperson of the Parents Teachers Association and the Students of Mirror Lakes Elementary School.

This school has been recently inspected and certain asbestos-containing materials or assumed asbestos-containing materials such as: fire doors or roofing materials that are tested prior to repairs or removal as needed, have been located in the school buildings. Please be aware that the School District of Lee County has an active management plan designed to ensure that the building is maintained safely for all occupants. These materials are being controlled in accordance with the Asbestos Management Program for the School and following the limitations and procedures of the policies and requirements of the Asbestos Operations and Maintenance Program of the School District of Lee County.

The report listing the location, quantities, and condition of all known materials and contains the details of the control procedures is available at the school office for your inspection during normal school hours. Copies of the whole or parts of the school’s asbestos file can be supplied to you at a cost of \$0.15/page.
